The company **Aquasanita** is one of the most well-known producers of granite sinks on the market. More than 80% of its products are exported to over 30 countries around the world. Aquasanita sinks meet the most demanding requirements for processing and quality of workmanship. Currently, Aquasanita is giving its sinks a new name **HELIKA**. With the idea of **living life at a slower pace** in harmony with nature. Therefore Helika, translated as snail. Helika products are designed to support a slower lifestyle and create a warm, caring atmosphere in kitchens.

The granite sink **Aquasanita Helika Delicia 555** is suitable for fans of simple and stylish design without decorations. The classic rectangular kitchen **sink Delicia 555** is the optimal solution for modern and classic, small and large, luxurious and minimalist kitchens. The small details on the sink look discreet, but also luxurious. Connoisseurs and lovers of minimalism and concise style will be thrilled with the purchase of this sink. This sink is recommended especially for smaller but tastefully furnished urban apartments. The sink is highly practical.

Sink Delicia 555 is very practical when it comes to its size. The sink bowl is spacious and deep enough (20 cm) for washing large pots. The automatic valve allows you to open or block the water drain with a single motion. At the same time, it prevents water overflow.

The **Delicia 555** sink will catch your eye at first glance with its atypical square-shaped strainer. It serves as both a strainer and a plug.

The advantage of undermount sink installation is that no edges are created around the sink. Therefore, no grease or other impurities are trapped anywhere. Undermount sinks are characterized by elegance and a luxurious appearance.

The Aquasanita sinks are made of a very high-quality granite material **SILISCANA**, which is a third-generation granite known for its strength and durability. The sink is treated with an antibacterial treatment **IONPURE**, which works on the principle of silver ions.

Key features of the AQUASANITA HELIKA DELICIA 555 kitchen sink

- Spacious granite sink
- Delicia 555 has an extended warranty of 5 years.
- The advantage is the color variability and the possibility to match it with the rest of the kitchen.
- simple minimalist style
- practical, spacious, with a sufficiently deep 20 cm sink basin
- square grid that serves as a plug and mesh
- The sink is designed for top or bottom mounting.
- suitable for a cabinet of 60 cm
- made of high-quality materials

Note: *Colors may slightly differ in reality compared to the photographs, as granite contains natural fillers and pigments.*

Final tip : descale using a one-to-three solution of vinegar. Apply the solution to the surface of the sink, leave for a few minutes and remove with a sponge. A more fragrant way is to rub limescale with a cut lemon.

Parts of the packaging:

- Sifon
- Assembly brackets
- Release.
