The company **Aquasanita** is one of the most well-known manufacturers of granite sinks on the market. It exports over 80% of its products to more than 30 countries worldwide. Aquasanita faucets and sinks meet the most demanding requirements for processing and quality.

The sink faucet **Aquasanita Sabia Grace 5523JG** creates a luxurious impression and elegance, it will look great in a modern kitchen. Together with a black granite sink, it will appear as a complete unit. On the contrary, it will stand out beautifully when combined with a white ceramic sink.

We classify the batteries as higher models, i.e., you can comfortably wash dishes of larger dimensions, and filling pots and kettles will also be easier.

The battery is equipped with a NEOPERL aerator and a branded ceramic cartridge KEROX 40 mm. The spout is rotatable by 360 degrees.
