The Deante Aster kitchen faucet belongs to the higher arc models with a pull-out telescopic nozzle. This type of sink faucet with a telescope is becoming increasingly popular, finding its place in today's modern household. The shower function will serve you well when rinsing the bathtub, fruits and vegetables, and when filling large pots that you can fill without having to put them in the sink. You can even comfortably fill a bucket placed on the floor next to the sink.

# Parameters
