Donner DROP Foam is an automatic dispenser for foam soap and disinfectant. It works completely touchless, simply by placing your palm. Thanks to the fact that the soap/disinfectant is replenished in the reservoir, you are not limited to only one supplier of refills.

Universal dispenser for foam soap and disinfection.

The use of foam soap/disinfectant brings significant savings. The replacement refill doesn't need to be replenished as often. Hand washing/disinfection is also more convenient with foam soap/disinfectant. The automatic dispenser DROP Foam can be used for foam soap/disinfectant from any manufacturer. Moreover, you can make it yourself by simply mixing liquid soap with distilled or boiled water.

Simple fulfillment

The replacement refill is easily poured into the foam soap dispenser through a wide neck. The dispenser has a capacity of 850 ml. Before any unprofessional manipulation, the dispenser container is secured

with a service key.

Available in white and silver variants.

You can choose from two attractive color options. White and silver colors. The body of the dispenser is made of durable ABS plastic.

Long battery life

The dispenser is powered by 4 pieces of AA pencil batteries (DC6V). When using high-quality batteries, the Donner dispenser can last up to six months.

Easy maintenance

The body of the device is made of ABS plastic, which is smooth and durable. As part of regular cleaning, simply wipe the automatic dispenser with a cloth and a regular cleaning agent. The nozzle is removable for rinsing.

Notice: *For proper functionality of the automatic dispenser, only use the power batteries specified by the manufacturer. Do not use non-alkaline and rechargeable batteries, as this type leads to its rapid self-discharge.*

Parameters

Basic parameters

Model:	Donner DROP (Foam)
Warranty period:	2 years
Product TARIC code:	84798997

Technical parameters

Method of attachment / installation:	Wall/stand
Housing material - case:	ABS plastic
Surface finish - color:	White dyed plastic, silver dyed plastic
Boot system:	Automatic- infrared
