60,24 €

50,20 € bez DPH

The **Eisl Idea** sink faucet can be easily combined with granite sinks in the same color. This way, you will achieve a uniform look of the entire washing area for the kitchen. A kitchen faucet **of premium quality** at an attractive price. The classic design of the faucet is timeless and will look great in any kitchen style. It is equipped with a simple lever for mixing water at the optimal quantity and temperature. In addition, the long and movable spout offers extended reach, making kitchen tasks easier.

Thanks to the included **flexible inlet hoses**, you do not have to bend any pipes when installing the faucet. Instead, you simply lead the hose towards the corner valve.

We offer this battery in a variety of colors:

- black granite

Key features of the Eisl Idea kitchen faucet

- comfortable one-handed control for greater freedom of movement
- rotating head with a range of 360°
- flexible metal connecting hose
- 35mm ceramic cartridge, replaceable, silent.
- metal lever
- German quality
