The **Eisl IDEA-S** sink faucet can be combined with stone (granite) sinks from different brands. This way, you will achieve a uniform and highly aesthetic look of your kitchen in terms of color and design. The functional telescopic shower of the faucet will allow you to easily rinse vegetables, fruit, containers from dirt, or simply fill a pot, which you can easily fill even if it is next to the sink.

We offer this battery in a variety of colors:

- black
- Sandy

Key features of the Eisl Verona-S kitchen faucet

- comfortable control, the ideal choice for double sinks
- extendable shower hose approximately 120 cm long, plate shower head with two adjustable

functions

- cassette with low noise, ceramic seal
- easy installation thanks to the included installation kit with all necessary components and instructions
- German quality
