**Kitchen faucet Eisl Miami** in an elegant color combination of high gloss chrome and matte black. A high-quality kitchen faucet with a high arched spout - it will attract attention in the kitchen. The faucet will also look great as a so-called island faucet, where it will be the focal point.

The Miami battery represents a **successful combination of design and functionality**. High-quality faucet with a spiral spring made of stainless steel with a dish sprayer. Black kitchen faucet with a pull-out, two-way adjustable dish sprayer for flexible use. The battery is equipped with innovative magnetic mounting for the faucet, keeping it in place.

Energy-saving sink faucet thanks to **Cold Start technology** - when the lever is in the middle position, only cold water flows. Easy installation thanks to a quick mounting kit and easily understandable installation instructions.

**This battery is available in two color variations:**

- shiny chrome in high gloss and matte black
- opaque black

**Key features of the Eisl Miami sink faucet**

- Attractive appearance and perfect workmanship
- switching current / direct shower on the head of the faucet
- kitchen faucet with a 360° swivel spout, ideal for double sinks.
- Ceramic cartridge.
- German quality

*EASY ASSEMBLY* thanks to the supplied assembly kit with all the necessary components and the assembly instructions, installation is a breeze.
