**The Eisl Old Style kitchen faucet** will be the highlight of your kitchen. This freestanding kitchen faucet is a design model with precise craftsmanship. The retro water tap kitchen faucet will look great in combination with a ceramic sink. In unique interiors with a rustic and retro look, the retro-style faucet becomes a great accessory.

With this stylish battery, you can not only bring beauty of the past to your kitchen, but also the comfort and functionality of modern times. Bring your kitchen to life and let yourself be enchanted by the **magic of retro style!**

Single lever sink mixer Eisl Old Style with an energy saving **cold start function** - this means that when the lever is in the middle position, only cold water flows in.

Kitchen faucet with 360° swivel spout - also ideal for double sinks. **Easy installation** thanks to a quick installation kit (central screw fixing) and a multilingual illustrated installation manual.

We offer this battery in a variety of colors.

- Shiny chrome
