The Eisl Stella LED kitchen faucet with highly impressive color LED lighting will enhance the uniqueness of your kitchen! The faucet has integrated lighting that changes the color of the water stream depending on the temperature of the water to blue, green, and red.

The kitchen faucet with temperature-controlled LED color change minimizes the risk of scalding. Sustainable kitchen faucet with Eco-Click function for up to 50% water savings. Single lever faucet with energy-saving cold start function - when the lever is in the middle position, only cold water flows in.

We offer this battery in a variety of colors:

- Shiny chrome

Key features of the Stella LED kitchen faucet

- Rotating outlet arm
- Ceramic cartridge 40mm
- Eco-Click function with protection against scalding and water-saving function.
- LED lighting in red, blue and green color
- Connecting flex hose
- side metal lever with Cold-Start function
