II. quality

Jet Dryer SIMPLE - silver hair dryer was used at exhibitions and presentations, there may be slight signs of wear. The original packaging is damaged or may not be in the original packaging.

The Jet Dryer Simple hand dryer is an excellent alternative to paper towels, which are environmentally unfriendly and costly.

We have been ranking Jet Dryer among the best-selling dryers on the market for several years.

Jet Dryer Simple hand dryers are the ideal solution for small toilet spaces where they don't take up unnecessary room. The new, faster and more powerful drying force will provide maximum comfort for users. Gone are the days when hand dryers were just "better hair dryers". Last but not least, you will certainly be pleased with the low purchase price.

Welt Servis spol. s r.o. keeps products and spare parts in stock and provides both warranty and post-warranty [service](#).

The main advantages of the Jet Dryer Simple hand dryer.

The Jet Dryer hand dryer has small and compact dimensions. Modern design. The most powerful and fastest drying performance of all available hand dryers of similar size! The hygienic operation of a touchless hand dryer minimizes the spread of bacteria on your hands. Reduced operating costs - low electricity consumption, no need to purchase paper towels, dispose of them, or store them. Eco-friendly operation - by using a hand dryer, you protect the environment. The production of paper towels burdens the environment. Cleanliness - no more mess at the sinks, no more overflowing trash bins. Safety - protection against short circuit. Metal cover of the hand dryer - greater resistance to damage compared to plastic covers. Status indicator at the bottom of the hand dryer - Standby (red LED) X On (green LED)

How do Jet Dryer hot air dryers work?

Insert both hands under the device, the hand dryer will automatically turn on. Due to the high pressure of warm air, water from hands is wiped off and evaporated. The air flow comes out of the exhaust opening located in the lower part of the hand dryer. Once you remove your hands from the hand dryer, the device will automatically turn off.

Parts of the packaging:

- Assembly instructions
- Allen key
- 5 x 25 mm self-tapping screw, 4 pieces.
- 5 mm anchor 4 pieces.

Parameters

Basic parameters

Model:	JetDryer SIMPLE
Use:	Suitable for all types of operations
Product TARIC code:	85163300
Warranty:	2 years

Technical parameters

Mounting method - installation:	Wall
Noise - sound level:	76 dB
Surface finish - color:	White finish / brushed stainless steel
Controls:	No
Status indication:	LEDs
Boot system:	Automatic - infrared
Trigger distance:	15-20 cm
Warm air:	Yes
Air Speed:	60-105 m / s
UV sterilization:	No
Type:	hot air
Case material:	ABS plastic
Standard air filter:	Yes- filter cartridge

Protective and security elements

Overcurrent protection, overheating and short-circuit protection:	Yes
Electricity class protection:	I. (protective conductor)
Degree of protection:	IPX1

Electric specifications

Input voltage:	AC 220-240 V
Frequency:	50/60 Hz
Power input:	1400-1650 W
Heating element output:	800-950 W
Motor power:	550 W
Motor type:	Serial AC commutator
Current consumption:	6.9 A
Standby mode:	<2 W
Power cable:	CEE plug 7/7
Power cord length:	150 cm

Dimensions, weight, packaging

Device dimensions:	320x295x172 mm (h / w / d)
Device weight:	4.2 kg
Packaging dimensions:	370x220x320 mm (h / w / d)
Weight including packaging (kg):	5.1 Kg
Packing method:	Protective polybag, polystyrene cover, cardboard box
Width of the packaging (cm):	22
Height of packaging (cm):	37
Depth of packaging (cm):	32
