Sink retro kitchen faucet Chambord Lionor polished chrome with ceramic cartridge. It will bring the atmosphere of old times to your home, which you will surely love. It fits perfectly into rustic and vintage kitchens, but it also looks great in interiors styled in a country or Provence style.

The Luisina Lionor chrome kitchen faucet with pull-out shower is the best solution for those who like retro style but also want to make their work in the kitchen easier.

The advantage of this battery is the lever control, for easier temperature and water flow adjustment compared to taps. The rotary control lever is made of white plastic. The spout is rotatable and the battery is supplied with all the mounting accessories.

- The battery is connected with flexible hoses 3/8" and contains a quality cartridge with ceramic discs.
- The shower head with a hose is rotatable 360° - as allowed by the connecting hose.
- The shower has switching - water flow / showering.

Note: the Chambord logo is embossed on the battery.
