Stylish, single-bowl, granite sink **Reginox Harlem 1000.0** will be a decoration in your kitchen and will fulfill all your expectations.

The sink will pleasantly surprise you with its dimensions and ensure that even large pots and wide baking trays will not be a problem when washing.

The sink has a very spacious basin. If you are constantly cooking, preserving, baking, or simply enjoy comfort and are annoyed by the constant clattering of pots in the sink, a kitchen sink with an XL basin will be a good choice and an added value to your kitchen center.

Additionally, there is a truly large drip area available, which breaks the stereotype of a boring kitchen sink at first glance.

The advantage and benefit of **Reginox** brand products is not only their high-quality material and design, but also the smooth surface of the sinks, and therefore their easier subsequent maintenance.

Less dirt settles on the smooth surface. The **Reginox** sinks are resistant to impacts, scratches, and other mechanical damage. Last but not least, you will also be impressed by the simple and modern design of the Harlem sink, which will fit into any kitchen.
