Under the auspices of the SEE holding, **Franz Joseph Schütte GmbH** produces high-quality batteries, showers, and sanitary supplies together with its sister companies Kirchhof, Eisl, Eyckhaus, and Wasserwerk. Quality products at a reasonable price.

The bamboo furniture from the Schütte brand is characterized by high quality and timeless design. The **vanity unit** offers plenty of storage space, for example for towels, bathrobes, cleaning products or toilet paper. The enclosed space protects the items inside from dust and water. Bamboo furniture creates a warm and cozy atmosphere at home.

The Schütte washbasin cabinet is made of high-quality bamboo wood. It is characterized by its long lifespan and resistance to moisture. With its properties, bamboo is ideal for the production of bathroom furniture.

Bamboo furniture has 5 key advantages:

- Bamboo is a fast-growing plant, easily sustainable and renewable. With its characteristics, it is destined for moist spaces.
- Bamboo is easily maintained - for cleaning, you can use a damp cloth or occasionally just wipe the furniture with a bit of olive oil. This will prevent drying out and give the furniture a natural shine.
- Every piece of furniture is original - bamboo represents uniqueness.
- Bamboo brings nature into your bathroom - bamboo provides your bathroom with a natural look. With ease, you can create an exotic wellness oasis in your bathroom for your personal relaxation

and rest.

- Bamboo as a versatile yet underestimated material - people in Asia have been using bamboo for thousands of years. Its rapid growth and special properties make bamboo a lightweight and versatile building material.
