Key features of the SCHÜTTE GREY STEEL toilet seat

- Toilet seat for all standard-sized WC bowls.
- The double soft-close mechanism ensures that the toilet seat closes slowly and quietly
- Thanks to the extremely stable MDF material resistant to scratching, the toilet seat cover is particularly durable.
- Thanks to the smooth surface with pores, the toilet seat is particularly easy to maintain and clean.
- It includes complete assembly materials for quick and easy installation of the toilet seat.

MDF

MDF (medium-density fibreboard) is a composite material characterized by hardness, flexibility, and durability. No adhesives are used in the production of wood fiber MDF boards.

SOFT-CLOSE

The toilet seat is equipped with a SOFT-CLOSE system. When lowered, the seat smoothly descends without any risk of damage or unwanted noise. Ideal not only for families with children.

Simple assembly

With the help of the included mounting kit and clear instructions, you will be able to assemble it within a few minutes.
