31,80 € bez DPH

Key features of the SCHÜTTE SEA STONE toilet seat

- Toilet seat for all standard-sized WC bowls.
- Thanks to the SOFT-CLOSE system, the toilet seat quietly closes down.
- Galvanized hinges, high-quality MDF
- High-resolution photoprint sealed in acrylic for the most realistic effect.

MDF

Fiberboard with medium density, abbreviated as MDF, is a composite material with a number of advantages. It is characterized by hardness and durability. SCHÜTTE boards are made of MDF without any adhesive content, making them more environmentally friendly. Nevertheless, they are maximally homogeneous throughout their volume.

SOFT-CLOSE

The toilet seat is equipped with a SOFT-CLOSE system. When lowered, the seat smoothly descends without any risk of damage or unwanted noise. Ideal not only for families with children.

Simple assembly
