Under the auspices of the SEE holding, **Franz Joseph Schütte GmbH** produces high-quality batteries, showers, and sanitary supplies together with its sister companies Kirchhof, Eisl, Eyckhaus, and Wasserwerk. Quality products at a reasonable price.

The bathroom fitting Raven in a stylish design is precisely shaped and professionally crafted washbasin faucet. It represents a new avant-garde for the washbasin.

Elegant Raven wash basin faucet in trendy matte black color creates a perfect contrasting impression when combined with a white wash basin.

The main advantage of the washbasin faucet is one-handed control. The faucet is silent, with an easily replaceable cartridge. Ceramic sealing for accurate flow and water temperature control.

The battery 1 1/4 (Ø approx. 4 cm) includes a retractable **eccentric set**, which you can easily open and close with a touch of a finger. The battery is suitable for most sink siphons.

The high-pressure fitting Raven has connections for cold and hot water, including two flexible hoses.
